Spring Term 2 Issue No.20

Dear Holy Trinity Community,

It has been a busy and brilliant week at Holy Trinity. Here are some of the highlights:

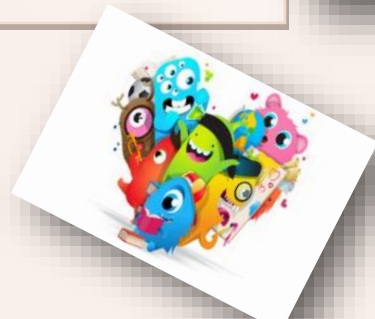

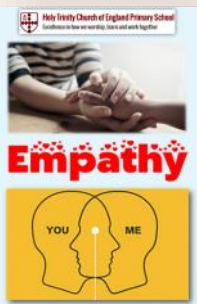

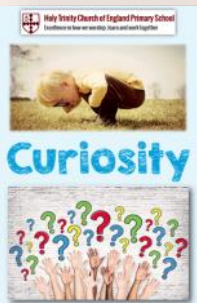

- ✳ We enjoyed a wonderful performance from our 'Rocksteady' band members as they showed off their rock skills to our children and parents on Tuesday.
- ✳ Reception went on an outdoor learning adventure at Holmewood Garden on Wednesday morning.
- ✳ Later that day, over 10 of our parents attended a PTFA meeting, where they began to plan for the Summer Fair. This special event will be held on Saturday 9th July.
- ✳ This afternoon some of our talented mathematicians went to Trinity Academy for a 'Maths Masterclass' led by Royal Institution and King's Maths School.
- ✳ Dapo Adeola, the hugely popular author and illustrator, led a special illustration workshop for our children this afternoon. He inspired us with his skills and energy.

We look forward to seeing all our parents and carers for Parents' Evening next Monday 14th and Tuesday 15th March. Remember, Monday is our online Parents' Evening when we will be connecting with you remotely. Tuesday is our face to face, at school evening. Please ensure you arrive in plenty of time for your appointments. 10 minutes can fly by, particularly if we don't start on time.

Next Friday 18th March is Red Nose Day with Comic Relief. We will be supporting this special event in a number of ways on the day. Please take a look at Page 6 of this issue of Newsdesk for more information.

Wishing you all a lovely weekend.

Kind regards,
Mr Winn

One of our pupils was compelled to write a letter to the president of Russia expressing her anguish and concern for the people in Ukraine.

Dear Mr Putin,

My name is Jessiphine from Holy Trinity Primary School. I am writing to you about the war. You are having war with an innocent country like Ukraine, shame on you! People are running away from their homes because of you.

Do you want to be a good person? You should be a good influence on young people to make the world a better place for children instead you have killed so many people and it needs to stop. I hope you change your thinking and your attitude.

This was written by a very concerned and angry 8 year old!!

Jessiphine's prayer

Dear God,

Oh Lord, Please keep people safe in this tragic time. Help us to find a way to make the world a better place for everyone. Teach the president of Russia that war is not good so that we can live in peace.

Amen

Online Safety and Technology Newsflash Gameplay Slang

Online gaming is a huge aspect of the online lives of children and young people, but when they're talking, it can sometimes sound like an alien language.

Do you know your 'dub' from your 'nerf'? Are you 'cheugy'?

Being able to pick up on some of the language used could be very useful.

Internet Matters have put together a great little PDF explaining this terminology, this is useful to parents.

Learning in focus

During a science lesson this week, Leopard Class had an amazing time learning not just about the human heart, but making a model. The collage below shows how they did this.

We can make a difference.

We have the power to change lives.

This year we will support children around the world through Comic Relief.

Next week, look out for the following at school:

Red Noses - Available all week in the school office for £1.50

Raffle tickets for a chance to win a 'Disney+ movie and popcorn afternoon' for yourself and 3 friends - 50p per ticket

Mufti Day - Friday, 18 March - Contribute £1 and wear something **red** to show your support for Comic Relief.

Bake Sale - Year 6 cake sale on Friday, 18 March after school.

International Women's Day

Lion Class researched the scientist, Maggie Aderin-Pocock.

At an early age, she was encouraged by her teacher to pursue her dreams.

She attended University to investigate the things that interested her the most, including the way things work, space and our galaxy.

*Our big question this term is,
'Is there Life on other planets?'
and to this Maggie's answer after all of her research is,
'Aliens must be out there somewhere!'*

Wouldn't that be amazing?

Thank you Maggie for inspiring us to follow our dreams.

International Women's Day

As part of International Women's Day, Bunny Class have been discussing who children are inspired by and why, by sharing great ideas.

They have also created a picture of the women we are inspired by.

In most cases it's by mum, the teachers, or even famous singers.

Child Friendly Lambeth

Child Friendly Lambeth event 12pm – 5pm on *Saturday 19th March 2022* in Windrush Square, Brixton.

What is Child Friendly Lambeth?

As you may know, Lambeth have embarked on an ambitious three-to-five-year programme to become a child friendly accredited community through UNICEF. The core of this programme is to ensure that everything we do in Lambeth is underpinned by the rights and voice of the child. Child Friendly Lambeth is a borough-wide partnership programme with participation from the local authority, schools, community groups, voluntary and community sector organisations, local businesses, police, health providers and commissioners. [Click here to see the Child Friendly Lambeth video](#), and see attached some shareable Child Friendly Lambeth slides for further detail.

Child Friendly Lambeth event detail

This event is one of many that Child Friendly Lambeth will either be running and/or attending this year. The main aim of this event is to raise the profile of the Child Friendly Lambeth within the borough, and we invite anyone to come along during the day to say hello and enjoy the fun!

Child Friendly Lambeth will have a stall where we'll give info on the programme, hand out some merchandise and ask children and young people what their priorities are for the borough.

Some of the programme's partners will also be present to run stalls:

- BIG KID
 - Lambeth Youth Council
 - Health and Wellbeing Express bus
 - Lambeth Foster Carers
 - NHS colleagues
 - Libraries and Archives
- Palace for Life

We are very excited to announce the following programme of activities and performances during the afternoon:

Time	Performers and Activities	Detail
12:00 – 17:00	Activities: Bureau of Silly Ideas	Marble runs, robot wheelie bins and consultation with young people throughout the day
13:30 - 14:15	Somos Lambeth singing	Primary-aged pupils from St. Stephen's singing a range of songs in Portuguese
14:15 – 16:00	The Boury Academy	Musical theatre performances and interactive dance workshops

Spring Easter Dance Project

SPRINGS
DANCE COMPANY

EASTER PROJECT

"From the first few minutes of the workshop I knew that Springs had something special about them. They just had a way of engaging every child with enthusiasm, passion and hard-work. It was faultless"

*Head Teacher, Easter Project 2019
at St Andrews School, Streatham.*

The Springs Easter Project leads pupils through a series of dance workshops that help them engage with the Easter story.

Children will learn and create movement in response to the story. There is opportunity for spiritual development and the children will use their imaginations and creativity, growing empathy, self knowledge, self-esteem and self-confidence.

The workshops can culminate in an informal sharing or performance of the Easter story by the pupils, which can be shown to the school and parents through either a live or filmed presentation.

The project can be anything from one to six days, and can be split into workshops looking at different sections of the Easter story. For example:

- Palm Sunday
- Washing of the feet
- Last supper
- Garden of Gethsemane
- Trial
- Crucifixion
- Rolling away of the stone
- Mary at the Tomb
- Resurrection

The project can be adapted to suit the school.

Many schools choose to use the company one day a week leading up to Easter. Some schools prefer to fit the workshops into an intensive week or another format.

Please call us to discuss the best option for your school.

To book for 2022 or for a friendly chat about our work, please call us on 07876 752 910 or email: touring@springsdancecompany.org.uk
