Spring Term | Issue No.13

Dear Holy Trinity Community,

What a super start to 2022. Our children and staff have been working very hard and we are now fully into the swing of things after the Christmas holiday.

We continue to be careful and cautious as we attempt to ensure the health and safety of our community at this time. Thank you for your support in dropping off and collecting your children swiftly, and not entering the school building unless you have made an appointment with our administrative team.

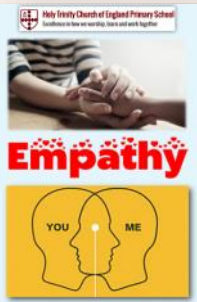

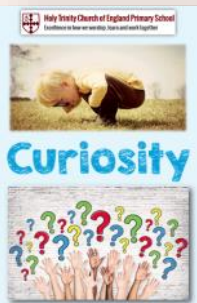

This week our children have enjoyed working with a wide range of specialists. Our new PE team from Moving Matters began delivering quality PE across the school. Knights Youth Centre continued their support for Year 6 children and preparing for secondary school. Hannah Joyce, our Emotional Literacy Therapist, resumed her support of children's emotional literacy - ensuring they are able to talk about their feelings and regulate their emotions. Helen Anderson, from the Magic Lantern company, provided three amazing workshops for children linked to their curriculum theme this term. This is just a small sample of the excellent enrichment and pastoral support our children receive every day.

Our school is spending lots of time thinking about how we can enhance our wellbeing this year. Taking time for yourself and your family on a regular basis is crucial to a healthy mind. You can find out more about ways to protect and enhance your own mental health and wellbeing by [clicking here](#).

I hope you enjoy the first edition of Newsdesk in 2022.

Kind regards,

Mr Winn

Dear God,

Thank you for giving us a new year to enjoy, grow and learn. We thank you for our families, our friends, our school and all the teachers.

Guide us as we wake up each day, bless us and protect us when we travel near and far.

As we begin a new year and a new term in school, our hope is in you in all that we do to grow in knowledge and continue to shine as we learn new things.

Father, we ask to fill us with your love and help us to show that love to others. Touch our hearts to show empathy and kindness to friends and neighbours and to those in need.

We pray for everyone that is unwell and ask you Father to heal and comfort them.

We thank you for everything and give you all the honour. In Jesus' name we pray.

Amen

You Tube Supervised Experience

The awareness of this relatively new service from YouTube needs to be increased. Supervised Experience builds on the historic Restricted Mode, which is essentially a filter allowing users to block content which is deemed for adult users only.

There are now 3 filtering levels which are:

- Explore for user 9+
- Explore for users 10+
- Most of YouTube - all content excluding content marked as 18+.

Importantly, parents manage these settings from their own device via Google Family Link.

Musical Opportunities in Lambeth

YOUTHSAYERS

If you are a young person with some experience of playing a musical instrument and would like to play with a band made up of like minded young people, this opportunity is for you.

Youthsayers run weekly, free of charge sessions in Brixton and West Norwood.

We work with various genres, but mainly focus on afrobeat, jazz and reggae.

The project will offer you a chance to learn about group playing, improvisation, arranging, directing a band and most of all, have fun with music.

Youthsayers is a performing group and we have played lots of great gigs in venues like The Royal Albert Hall, Rich Mix, Lambeth Country Show, Trafalgar Square, Womad Festival, Freedom Sounds Festival in Cologne Germany etc.

We are not looking for people with any set standard, but we really value a positive attitude and young people that want to be part of a mutually supportive group. Also an interest playing afrobeat, jazz and reggae would be good but, if this music is new to you, that's fine.

We run 2 groups. The age range for the groups is 9yrs to 13yrs and then 13yrs to 20yrs.

Currently, both groups are full because we have restrictions on numbers due to Covid 19 rules.

However, we expect there to be places free in September 2021 so we would like to hear from you now and we would love to add you to our waiting list for the near future. If you are interested email us youthsayers@gmail.com or go to www.youthsayers.net and complete the form.
