Spring Term | Issue No.17

Dear Holy Trinity Community,

All being well, we will begin to return to normality next half term. The data and guidance this week suggests our country is steadily getting there in the fight against Covid-19.

As a result, we will begin to hold daily Collective Worship in the hall together. Our staff team will meet together face to face for the first time in a number of months. and face coverings are no longer expected within school settings. We can now invite parents into school for events and celebrations. Watch this space for information on parent workshops and class assemblies in Spring 2 and beyond.

Despite this positive development, we will continue to adhere to our cleaning and hygiene protocol; ventilated spaces, hand sanitisation and hygiene actively encouraged and available for all and frequent touch spots cleaned three times per day.

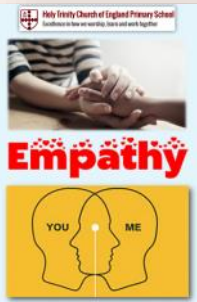

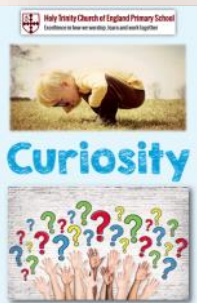

Although the pandemic appears to be moving gradually towards a natural end, we must remain vigilant and continue to do all the right things to protect ourselves and those around us.

I hope you and your loved ones have a restful, happy and enjoyable half-term holiday.

We look forward to seeing you all on Monday 21st February at 8.45am.

Kind regards,

Mr Winn

Online Safety and Technology Newsflash

Safer Internet Day

On Tuesday we celebrated Safer Internet Day 2022: 'All fun and games? Exploring respect and relationships online'.

This years theme is Respect and Relationships On-line, with an emphasis on gaming.

The children worked in small groups to create a video-recorded advert, giving tips on how we should responsibly and safely conduct ourselves online.

They wrote their lines first and then performed to the class, while their teacher recorded their advert.

The Digital Leaders will select a winning group from each key stage, whose members will each be awarded a special certificate and story book.

FAITH
CORNER

This week's collective worship focused on the value of creativity.

The faith ambassadors explored what it means to be creative and asked the school to think about the many ways in which we all express our creativity.

We reflected upon the fact that God has made us unique and He made us with the ability to create something beautiful.

An acrostic poem about CREATIVITY by Rhys

Create and embrace yourself
Recreate your favourite things
Everyone has an imagination
A person could be anything
Try to be you, be creative and free
It could be a masterpiece
Very independent art
It could be anyone's art
Try to be free in your creativity
You can do anything

A Thanksgiving prayer by Kimari

Dear God,
We thank you for our school, our teachers and children. We all ask you Lord to continue teaching through your word and leading us to be the best people we can be.
We ask this prayer in your holy name.
Amen

Learning in focus

The Year 6 topic this term is:

"Is it too late to prevent climate change?"

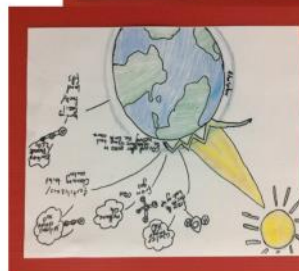

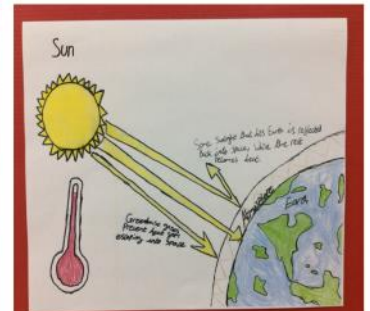

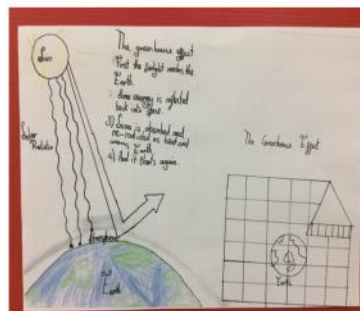

Our Year 6 children have been learning all about the effects, causes and, most importantly, how to reduce our carbon footprint.

Safer Internet Day

SAFER INTERNET DAY ADVERT BY LEOPARD CLASS

We wrote a script about being safe and responsible online and acted out our parts. Devonte suggested using Come Together by the Beatles and the girls created a simple dance move to show respect to others. Ms Maddox filmed us and Matthew A edited it.

Divine: Hey Shariya!

Shariya: Hello Divine

Shariya: So I found out at school today that it's Safer Internet Day. The teacher was talking about being responsible online. Do you have any advice on being safer online?

Divine: Yeah, I do have advice on how to be safe online and I have some friends that will help me explain it to you.

Rosa: Don't trust strangers!

Samanta: Keep your private information private.

Divine: What do you mean?

Rosa: You know your passwords, your address and your name!

Shariya: Yeah great advice! That's keeping yourself safe, but how can we make sure we are respectful to others?

Kacy: Don't call anyone names!

Rosa: Yeah no trolling!

Samanta: Cyber bullying has to stop!

Shariya: But what do we do if we see other people being unkind or rude?

Rosa, Samanta and Kacy: We help. We block them, We report them.

Devonte: Equality to everyone! Respect race, disabilities, gender and their personal choices.

Spring Easter Dance Project

SPRINGS
DANCE COMPANY

EASTER PROJECT

"From the first few minutes of the workshop I knew that Springs had something special about them. They just had a way of engaging every child with enthusiasm, passion and hard-work. It was faultless"

*Head Teacher, Easter Project 2019
at St Andrews School, Streatham.*

The Springs Easter Project leads pupils through a series of dance workshops that help them engage with the Easter story.

Children will learn and create movement in response to the story. There is opportunity for spiritual development and the children will use their imaginations and creativity, growing empathy, self knowledge, self-esteem and self-confidence.

The workshops can culminate in an informal sharing or performance of the Easter story by the pupils, which can be shown to the school and parents through either a live or filmed presentation.

The project can be anything from one to six days, and can be split into workshops looking at different sections of the Easter story. For example:

- Palm Sunday
- Washing of the feet
- Last supper
- Garden of Gethsemane
- Trial
- Crucifixion
- Rolling away of the stone
- Mary at the Tomb
- Resurrection

The project can be adapted to suit the school.

Many schools choose to use the company one day a week leading up to Easter. Some schools prefer to fit the workshops into an intensive week or another format.

Please call us to discuss the best option for your school.
