Summer Term | Issue No.25

Dear Holy Trinity Community,

I hope you and your loved ones are happy and well.

It is with great pleasure that we can share some lovely news. Matthew Arkoh in Year 6 has been selected as one of the finalists in a UK song writing competition organised by Song Academy. Matthew has written a song called 'Lingo', and recorded it with Ms Ansah before sending it to the judging panel. He has been selected as one of the top thirty young song writers in his age group. It is a marvellous achievement and we wish him all the best of luck on the 6th May, when the top ten songwriters will be announced.

We had a very productive meeting with our PTFA on Thursday afternoon. Just a reminder of the two key events on the horizon:

- ◆ Thursday 26th May: Summer Disco (times to be confirmed)
- ◆ Saturday 9th July: Summer Fair (2pm – 6pm)

We will write to you shortly with further details on how you can book a place for your child at the Summer Disco.

Our wonderful staff will be 'enjoying' the Year 2 and 3 Slumber Party at school tonight. I know the children are incredibly excited about the chance to sleep at school. They will be collected on Saturday morning at 9am. Thank you to our parents and carers in advance for arriving on time to collect their children.

Kind regards,

Mr Winn

Nurturing Faith – Can You Help?

One of the great things about a faith school is that it provides a fantastic opportunity to nurture children's faith outside the home. But how is this done?

Partly it's through the curriculum – for example by having RE right there in the centre. But a faith school also offers opportunities to reflect about spirituality and Christian values through other subjects in the timetable. For example, when you learn about the regularity of maths, you can also reflect on the reliability of God who created a universe in which maths is possible.

When you learn about the ups and downs of history, you can reflect on the justice that God requires and that he has created us all with a thirst for.

Partly we can nurture faith through para-curricular or extra-curricular activities – outings, projects, issues arising out of class time that may not be devoted to a single subject, assemblies, or after school clubs, or how we as a school respond to significant events, whether in our own community or the wider world.

Partly it's about giving children opportunities to expand their faith beyond the walls of the school – for example, through holiday clubs at church, or the Y6 Leavers' Bibles, or other things like that.

Southwark Diocesan Board of Education like all church schools to include a "Faith Group" – sometimes known as a "Christian Distinctiveness Group." It's a working action group comprised of Governors, Parents, Staff, and people from the wider community, whose job is to monitor how Christian faith is being nurtured in the school. Its work could include listening to staff members so we can feed back to Governors and the Diocesan Board about how the school is doing as a faith-nurturing environment. Its work could also include starting a new initiative to nurture childrens' faith.

YOU can join this group whether you are a practising Christian, someone of a different faith, or someone of no strong faith at all. As long as you will help further the aim or nurturing Christian Faith. If you would like to join the group, please give your details to the school office, and I will be in touch with you.

Members of the Holy Trinity Choir were amongst the 8,000 Young Voices Choir that performed at the O2 Arena.

They sang their hearts out and were indeed great ambassadors for the school.
