Summer Term | Issue No.28

Dear Holy Trinity Community,

This week I would like to take the opportunity to celebrate our Parents, Teachers and Friends Association of Holy Trinity (PTFA).

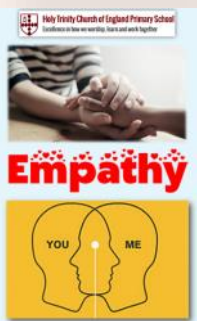

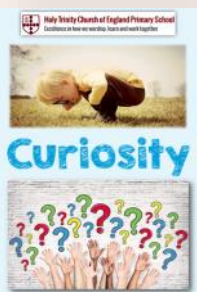

It has been a priority for our school to harness a strong partnership between ourselves, our parents and wider community since the day I began. The PTFA has only been established since May 2021, but already it has been responsible for a wide range of fundraising activities, such as the Christmas Fair, cake sales, Ice Cream Fridays and the Valentine's Disco. We are very much looking forward to the Summer Disco next Thursday 26th May and the Summer Fair on Saturday 9th July.

Our PTFA are a crucial organisation - they help to further unite our community and raise important funds for activities and resources for our children. I would like to thank our committee members, Stacey-Ann, Camesha and Nadine, for leading our willing and dedicated parents in such a positive way. I would also like to thank Ms Saddington for fulfilling the role of PTFA link this year.

Please don't forget that every parent, carer and family member is automatically a part of the PTFA. You are welcome to attend meetings, join the team's WhatsApp group and offer your services at our future events. We can't do it without you.

Kind regards,

Mr Winn

Faith Corner

This week our Tuesday's collective worship was led by Pastor Darren Cadapen who is the Chairman of the Trinitarian Bible Society.

He gave an encouraging and inspiring talk about the importance of reading the bible and the ways in which we gain wisdom, knowledge and a deeper understanding of how to live in peace with each other.

The children were given the opportunity to share their views and insights gained from reading the bible for themselves.

One pupil remarked 'I really enjoy reading parts of the bible and then talk about what I understand. I do this at school and at home with my family.'

He highlighted a number of fascinating facts for example; the bible is the biggest best seller with over 5 billion copies sold worldwide!

In conclusion, he quoted a bible verse for everyone to think about:

'I am the way, the truth and the life.' John 14 : 6

Online Safety and Technology Newsflash

Safer Internet

The UK Safer Internet Centre have put together a large number of videos providing topics and suggestions for starting and having discussions with neurodiverse young people about their online experiences. The films explore: "the challenges that neurodiverse young people may face online with regards to rigid thinking, discerning who or what is truthful online and situations that can lead to strong emotions" unquote.

The transition from Y6 to Y7 is an exciting and daunting one. Arguably the online risks and issues become greater as technology use increases and the child moves into their adolescent years. Childnet have created a number of free resources which can be used by teachers and parents to help with this transition. Videos include:

- Marvin wants a phone.
- Joel's dilemma about friend requests.
- Isla sees online bullying... and more.
