Dear Parents and Carers,

We would like to formally invite you to our **Summer Concert**. You are receiving this letter because your child has been invited to perform, although this concert is open for everyone to enjoy. This event will be our last chance for our instrumental students to show you some of what they have been working on this year.

The concert will take place on **Thursday 7<sup>th</sup> July, starting at 3.30pm**. We are hoping for great weather to perform outside the Maddox Centre on the top playground.

Please let us know if you are happy for your child to stay after school to perform in the Summer Concert, and whether you are able to attend. We hope to be finished by 4.30pm.

We look forward to seeing you there and celebrating all the wonderful musical efforts this year.

# Beat the Street Lambeth

The Beat the Street walking and cycling game is coming to Lambeth

Join a team, then be in with a chance of winning prizes the further you walk, cycle, run, scoot or roll!

The free game is open to ALL Lambeth residents and takes place for six weeks in the summer

A popular interactive game that helps whole communities get active is set to launch in Lambeth. Beat the Street was created by GP Dr William Bird to encourage people to explore their local areas and to walk, cycle and roll in a fun competition.

CLlr Donatus Anyanwu, Lambeth's Cabinet member for Stronger Communities, Leisure and Sports, said: "We are excited to be bringing Beat the Street to Lambeth. It's free to take part in and it's open to everyone regardless of age, ability or background.

"It's an inclusive and compelling game that encourages you to exercise in a fun way with friends and family, plus it's a great way of getting to know your local area."

The game has been played by more than 1.5m people in more than 120 locations in the UK and beyond and is designed to get communities moving by helping people to make small changes, such as walking or cycling to school every day.

Beat the Street not only has a significant impact on increasing low levels of physical activity amongst adults and children, but also helps reduce congestion, improves air quality, and helps friends and families spend time in green spaces together.

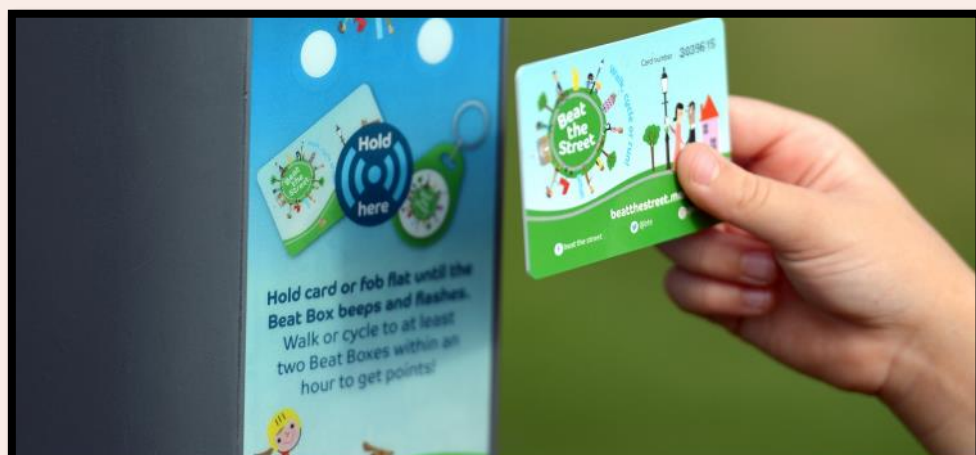

The game is open to anyone of any age who would like to take part and takes place in Lambeth from Wednesday, 22<sup>nd</sup> June until Wednesday, 3<sup>rd</sup> August.

Beat the Street Lambeth has been commissioned by Lambeth Borough Council with support from the National Lottery via Sport England. It is being delivered by Intelligent Health.

Children use a card and map which will be provided by participating primary schools, and adults can pick up a free card from one of the distribution points listed on the Beat the Street Lambeth website which will launch shortly.

Players then find their nearest "Beat Box" which will appear on lampposts around the borough. There are 136 of these contactless sensors– once the game is underway, simply hover your card over the Beat Box and it will beep and flash to record your points. Your first visit to a Beat Box registers the journey; then walk, cycle or roll to the next Beat Box within an hour to score 10 points.

# Audition Workshops for ROH Youth Opera

Audition Workshops for ROH Youth Opera Programmes 27<sup>th</sup> and 28<sup>th</sup> August 2022

The Royal Opera House is delighted to invite children aged 7-13 with a passion for the performing arts to audition for our Youth Opera programmes this August. No experience or knowledge of opera is required, just a love of singing and performing and an enthusiasm to explore and create opera with the ROH.

If you know a young person in state education who may benefit from our programmes, please read the following for more information on our programmes and how to register interest for an audition workshop. Please also consider forwarding to any individuals or networks who you think this will be of interest to.

## ROH Youth Opera Programmes

There are two programmes available for young performers:

ROH Young Voices is a singing programme for 7-8 year olds, developing participants' vocal control, musical literacy and performing skills. As well as performing at concerts and other ROH events, participants receive gain a grounding in the skills required to progress into our older ensemble, the ROH Youth Opera Company. Audition workshops for the ROH Young Voices will be held on Saturday the 27<sup>th</sup> of August from 11-1pm

- ROH Youth Opera Company offers participants an all-round training in the performing arts, covering vocal technique, language coaching, acting and stage craft, musical literacy, and creative processes for developing new work. Auditions for the ROH Youth Opera Company will be held on Saturday the 27<sup>th</sup> of August from 2-4pm, and Sunday the 28<sup>th</sup> August from 11-1pm and 2-4pm.

Both groups meet for half day rehearsals on Saturdays during term time at Covent Garden and participate in an online music theory class after school on Wednesdays. A high level of attendance is expected so please bear this in mind when applying to join the programmes. For more information on the programmes and how they support the development of young performers [watch this video](#).

## TO REGISTER YOUR INTEREST

To give your child an insight into the ROH Youth Opera programmes we ask that you share with them our '[What is Opera](#)' video workshop. Please note, this video includes some group activities which your child need not complete. Should they be invited to attend an audition workshop, they will need to be familiar with the song explored in this video as this will be explored further in the workshop. Our audition workshops are relaxed, welcoming spaces inviting attendees to explore opera with our YOC Associate Artists. Children may be asked to sing in small groups, but not on their own. Please note that audition places are limited and based on a range of considerations.

To register your child's interest in attending an ROH Youth Opera audition workshop:

1. Please complete [this form](#)
2. Please ensure your child has watched the 'What is Opera' workshop: <https://www.youtube.com/watch?v=yUaHe1TRaKE&t=1s>
