Wednesday 24<sup>th</sup> May 2023

Dear Parents and Carers,

After half-term, from the 5<sup>th</sup> – 9<sup>th</sup> June, Holy Trinity will be celebrating Maths week in school. As part of this, we will be taking part in a range of fun Maths based activities, aimed at developing and supporting positive attitudes towards Maths for all pupils.

On **Friday 9th June**, we will be having a dress up day with the annual theme ‘Robots and Rockstars’. All pupils in Reception and KS1 have access to a Maths app called ‘Numbots’, and pupils in Y2-Y6 have access to an app called ‘Times Tables Rockstars’. They are able to create their own characters or avatars on these apps, and often spend a lot of time making them look interesting. Pupils can choose to come dressed as either a ‘Rockstar’ or a ‘Robot’, regardless of how old they are.

Please do not feel like you need to spend any money on a costume. If you are struggling for costume ideas, some suggested costumes could be:

Rockstars	Robots
- Colourful clothes	Either: - Black clothes
- Jeans	- White clothes
- Trainers	- Grey clothes
- Wacky hairstyles	- Practice a robotic walk on the way to school

You can of course be as creative as you want!

I am looking forward to a fantastic Maths week, and seeing everyone in their costumes on **Friday 9th June**.

Mr J. Payne.

Maths Lead
