Autumn Term 1 Issue No.38

Dear Parents/Carers,

The richness of School Visits

School visits significantly impact upon our pupil's learning experience. As well as the enjoyment of learning outside of the classroom, pupils gain a deeper knowledge and understanding of the curriculum content through memorable real life experiences. This week, in upper key stage 2 the classes focusing on the study of the world's countries in the Transatlantic Triangle visited the Horniman Museum. In lower key stage 2 the pupils learnt more about the local geographical landmarks including the statue of The Bronze Woman. The statue stands 10ft tall and was installed in the Stockwell Memorial Garden. Our Key stage 1 pupils visited the local Hindu temple and landmarks in Brixton, upon their return to school, many pupils excitedly shared their new knowledge, insight gained and their observations. All in all it was a very busy and productive week!

Children's Literacy Session for Parents

Thank you to parents/carers who were able to attend the workshop which offered parents a number of reading and writing strategies to apply at home. Parents were shown how to help their child with the following literacy activities:

Phonics

Reading and Comprehension

Talking and communicating with your child

Spelling, Punctuation and Grammar

There will be follow up workshops held in the near future.

Tiger Class Collective Worship

Thank you to parents/carers who attended the Tiger Class' Collective Worship this week which focused on the Study of Benin.

Have a wonderful weekend.

Ms Thomas

FAITH CORNER

Almighty God our Heavenly Father, we thank you for today and all the opportunities we are given to show your love for us through the way in which we treat each other and our neighbours.

Help us Lord to reflect your goodness and your loving kindness in all that we do.

Give us the courage to say the right words to help prevent bullying taking place, guide us as we work and play together in harmony, embracing and celebrating our uniqueness.

You are Lord of all and we look to you for refuge and for being our very present helper in times of trouble.

As we ponder on what the world is going through presently with war between Israel & Palestine, Russia & Ukraine and other parts. We pray for world peace.

Give us that spirit of boldness, compassion and empathy and to be like the Good Samaritan who chose to help someone hurt and in pain whilst others passed by and did nothing.

May we choose to be more like you each day.

We thank you for being our rock, our deliverer and our comforter.

In Jesus name we pray,

Amen

Learning In Focus

This week our Year 2 pupils visited a local Hindu Mandir.

They learned about their deities and religious book.

They listened to traditional Hindu songs and prayers and were even given squash and biscuits.

Excellence in how we worship, learn and work together!

Learning In Focus

Year 2 visited Brixton centre, looking at local landmarks like Windrush Square, Brixton Village and Lambeth Town Hall.

They noticed how things looked, smelled and even how they made us feel.

Their favourite parts were looking at the different foods in the market and visiting the orb in Windrush Square

Fortnite Guidance

Epic Games (which includes Fortnite, Fall Guys and Rocket League) provide some really useful features for parents to manage their child's gaming experience.

This includes 'cabined accounts' which are accounts where the child is under 13 and certain restrictions are applied by default, e.g. talking to other players.

Given the popularity of these games it is useful to be aware of this feature.

You can find further details and instructions from Internet Matters here:

ONLINE SAFETY NEWSFLASH

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many apps which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

What Parents & Carers Need to Know about

WHATSAPP

AGE RESTRICTION
16+

in UK and Europe;
rest of the world 13+

...MSG ME...

WHAT ARE THE RISKS?

With more than two billion active users exchanging texts, photos, videos and documents, as well as making voice and video calls, WhatsApp is the world's most popular messaging service. Its end-to-end encryption only allows messages to be viewed by the sender and any recipients: not even WhatsApp itself can read them. This privacy issue has been in the spotlight recently, as the UK's Online Safety Bill proposes to end such encryption on private messaging. WhatsApp is unwilling to do so and has reportedly considered withdrawing its service in the UK should this legislation go ahead.

EVOLVING SCAMS

WhatsApp's popularity makes it a lucrative hunting ground for scammers. Recent examples include posing as the target's child, requesting a money transfer because of a spurious 'emergency'. Plus a scam where fraudsters trigger a verification message by attempting to log in to your account, then (posing as WhatsApp) call or text to ask you to repeat the code back to them, giving them access.

CONTACT FROM STRANGERS

To start a chat, someone only needs the mobile number of the WhatsApp user that they want to message. If your child has ever given their number out to someone they don't know, that person could then contact them via WhatsApp. It's also possible that your child might be added to a group chat (by one of their friends, for example) containing other people that they don't know.

FAKE NEWS

WhatsApp's connectivity and ease of use allows news to be shared rapidly – whether it's true or not. To combat the spread of misinformation, messages forwarded more than five times on the app now display a 'Forwarded many times' label and a double arrow icon. This makes users aware that the message they've just received is far from an original – and might not be entirely factual, either.

ONLINE

'VIEW ONCE' CONTENT

The facility to send images or messages that can only be viewed once has led to some WhatsApp users sharing inappropriate images or abusive texts, knowing that the recipient can't re-open them later to use as evidence of misconduct. People used to be able to screenshot this 'disappearing' content – but a recently added WhatsApp feature now blocks this, citing increased privacy.

CHAT LOCK

Another new option allows users to store certain messages or chats in a separate 'locked chats' folder, saved behind a passcode, fingerprint or face ID authentication. The risk here is that this function creates the potential for young people to hide conversations and content that they suspect their parents wouldn't approve of (such as age-inappropriate material).

VISIBLE LOCATION

WhatsApp's 'live location' feature lets users share their current whereabouts, which can be helpful for friends meeting up or parents checking that their child's safely on the way home, for example. However, anyone in your child's contacts list or in a mutual group chat can also track their location – potentially letting strangers identify a child's home address or journeys that they make regularly.

Advice for Parents & Carers

...TYPING...

EMPHASISE CAUTION

Encourage your child to treat unexpected messages with caution: get them to consider, for example, whether the message sounds like something a friend or relative would really send them. Make sure they know never to share personal details over WhatsApp, and to be wary of clicking on any links in messages. Setting up two-step verification adds a further layer of protection to their WhatsApp account.

ADJUST THE SETTINGS

It's wise to change your child's WhatsApp settings (go to 'Privacy', then 'Groups') to specify which of their contacts can add them to group chats without needing approval: you can give permission to 'My Contacts' or 'My Contacts Except...'. Additionally, if your child needs to use 'live location', emphasise that they should enable this function for only as long as they need – and then turn it off.

THINKING BEFORE SHARING

Help your child to understand why it's important to stop and think before posting or forwarding something on WhatsApp. It's easy – and all too common – for content to then be shared more widely (even publicly on social media). Encourage your child to consider how an ill-judged message might damage their reputation or upset a friend who sent something to them in confidence.

CHAT ABOUT PRIVACY

Some parents like to check in with their child about how they're using WhatsApp, explaining that it will help to keep them safe. If you spot a 'Locked Chats' folder, you might want to talk about the sort of chats that are in there, who they're with and why your child wants to keep them hidden. Also, if your child has sent any 'view once' content, you could discuss their reasons for using this feature.
