Autumn Term | Issue No.36

Dear Parents/Carers

Harvest Festival Service: Tuesday 3rd October 2023 at 9.45am

We are looking forward to our Harvest Festival Service that will be taking place at Holy Trinity Church at 9.45am. Parents and Carers are most welcome to come and join us. The whole school celebrated the gifts that God has given us and to bless those who are in need. We were extremely pleased with the contributions that were made which will be distributed through The Tulse Hill Community Foodbank (linked to Holy Trinity Church), a charity that supports people in need within our local community. We are asking the families of Holy Trinity School to donate items such as tinned goods, dried goods, pasta, sugar, tea, coffee, soap, toothpaste or washing powder. Let us together be heroes in our neighbourhood and local community by giving and sharing God's love and kindness!

"All good gifts around us are sent from heaven above."

Bunny Class

Our new reception pupils have settled into their new class and we hope that their time at Holy Trinity will be a blessed and happy one, filled with many rich and varied learning experiences. If you are a new parent to our school and have any questions, please do not hesitate to ask your child's class teachers Ms Jeffery, MrTaw at the end of the day once all the children have been dismissed. Should you require any additional information, please contact the school office to book an appointment at a mutual time to meet with Ms Jeffery EYFS Leader.

Reflection.

Each life is precious. Today we remember the tragic passing of Elianne Andam and pray for her family, May our Father in Heaven be their comforter and their strength at this difficult and heart breaking time. We also pray for and commit our all community, our children of all ages in our Lord's hands, may each one be protected and guided in this challenging time.

Jeans 4 Genes Day

Last week we raised a total of £89.88 during our Jeans 4 Genes day event. Thank you to all our Pupils, Parents & Carers that made this possible.

Do have a restful and enjoyable weekend, and God bless you and your families.

Ms Thomas.

Almighty God, in all things we give you thanks and praise, as this is your word to us in 1st Thess 5:18

We sometimes do not feel this way due to how we are sometimes overwhelmed with all the challenges and difficulties of life.

But we are reminded that as we wait upon you, our strength will be renewed, and we will mount up with wings like an Eagle, and those that put their trust in you shall never be put to shame.

We choose to hold onto these encouraging and comforting words of God, believing that all shall be well.

As we end another week, we reflect on how this week has been, and we spare a thought for those who've lost loved ones, for those who've had a challenging week. We pray that God of all comforts will comfort such people, and encourage those that need encouraging.

At the same time we thank God for all the wonderful things that have happened this week, success stories, fruitful things, etc.

Father we thank you for everything this week.

Please continue to bless and keep our school community, families and Governing authorities.

As we look forward to the weekend, may it be a time of Joy and blessing to all families in Jesus name we pray

Amen

ONLINE SAFETY NEWSFLASH

At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many apps which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

What Parents & Carers Need to Know about

WHATSAPP

AGE RESTRICTION

...MSG ME...

WHAT ARE THE RISKS?

With more than two billion active users exchanging texts, photos, videos and documents, as well as making voice and video calls, WhatsApp is the world's most popular messaging service. Its end-to-end encryption only allows messages to be viewed by the sender and any recipients: not even WhatsApp itself can read them. This privacy issue has been in the spotlight recently, as the UK's Online Safety Bill proposes to end such encryption on private messaging. WhatsApp is unwilling to do so and has reportedly considered withdrawing its service in the UK should this legislation go ahead.

EVOLVING SCAMS

WhatsApp's popularity makes it a lucrative hunting ground for scammers. Recent examples include posing as the target's child, requesting a money transfer because of a spurious 'emergency'. Plus a scam where fraudsters trigger a verification message by attempting to log in to your account, then (posing as WhatsApp) call or text to ask you to repeat the code back to them, giving them access.

CONTACT FROM STRANGERS

To start a chat, someone only needs the mobile number of the WhatsApp user that they want to message. If your child has ever given their number out to someone they don't know, that person could then contact them via WhatsApp. It's also possible that your child might be added to a group chat (by one of their friends, for example) containing other people that they don't know.

FAKE NEWS

WhatsApp's connectivity and ease of use allows news to be shared rapidly – whether it's true or not. To combat the spread of misinformation, messages forwarded more than five times on the app now display a 'Forwarded many times' label and a double arrow icon. This makes users aware that the message they've just received is far from an original – and might not be entirely factual, either.

ONLINE

'VIEW ONCE' CONTENT

The facility to send images or messages that can only be viewed once has led to some WhatsApp users sharing inappropriate images or abusive texts, knowing that the recipient can't re-open them later to use as evidence of misconduct. People used to be able to screenshot this 'disappearing' content – but a recently added WhatsApp feature now blocks this, citing increased privacy.

CHAT LOCK

Another new option allows users to store certain messages or chats in a separate 'locked chats' folder, saved behind a passcode, fingerprint or face ID authentication. The risk here is that this function creates the potential for young people to hide conversations and content that they suspect their parents wouldn't approve of (such as age-inappropriate material).

VISIBLE LOCATION

WhatsApp's 'live location' feature lets users share their current whereabouts, which can be helpful for friends meeting up or parents checking that their child's safely on the way home, for example. However, anyone in your child's contacts list or in a mutual group chat can also track their location – potentially letting strangers identify a child's home address or journeys that they make regularly.

Advice for Parents & Carers

...TYPING...

EMPHASISE CAUTION

Encourage your child to treat unexpected messages with caution: get them to consider, for example, whether the message sounds like something a friend or relative would really send them. Make sure they know never to share personal details over WhatsApp, and to be wary of clicking on any links in messages. Setting up two-step verification adds a further layer of protection to their WhatsApp account.

ADJUST THE SETTINGS

It's wise to change your child's WhatsApp settings (go to 'Privacy', then 'Groups') to specify which of their contacts can add them to group chats without needing approval: you can give permission to 'My Contacts' or 'My Contacts Except...'. Additionally, if your child needs to use 'live location', emphasise that they should enable this function for only as long as they need – and then turn it off.

THINKING BEFORE SHARING

Help your child to understand why it's important to stop and think before posting or forwarding something on WhatsApp. It's easy – and all too common – for content to then be shared more widely (even publicly on social media). Encourage your child to consider how an ill-judged message might damage their reputation or upset a friend who sent something to them in confidence.

CHAT ABOUT PRIVACY

Some parents like to check in with their child about how they're using WhatsApp, explaining that it will help to keep them safe. If you spot a 'Locked Chats' folder, you might want to talk about the sort of chats that are in there, who they're with and why your child wants to keep them hidden. Also, if your child has sent any 'view once' content, you could discuss their reasons for using this feature.
