Spring Term | Issue No.47

Dear Parents/Carers,

As we start the Spring Term and a new year, let us remember our Bible theme: 'I can do all things through Christ who strengthens me.' Philippians 4:13.

The children have begun the term with a reignited thirst, excitement and enthusiasm for learning and ready to share and build upon their ideas and knowledge.

Our focus for collective worship this term is 'The Fruit of the Spirit:

Galatians 5: 22-25 'But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. Against such things there is no law.

Those who belong to Christ Jesus have crucified the sinful nature with its passions and desires. Since we live by the Spirit, let us keep in step with the Spirit.'

We began by discussing the question 'What is the fruit of the Spirit and each week will explore the meaning of each fruit in a creative and interactive way to enable children to reflect upon and build upon how they express each fruit of the spirit.

Last week we focused on the qualities of joy and this week the qualities self- control. The children have identified that the fruit of the Spirit grows in us and as we show these qualities, others will see it too and respond in a positive way.

God gives us the fruit of the Spirit to help us show others what his love looks like

The children shared their insight and giving examples of showing self- control and the impact it has upon everyone. They also shared their experiences and observations of not showing self- control. They were able to suggest a number of ways to regulate and

ultimate make good choices; for example counting to ten, breathing, drawing a picture and thinking about something nice.

It is important that we remember that God gives us the fruit of the Spirit to help us show others what his love looks like

Have a blessed day

Ms Thomas

Excellence in how we worship, learn and work together!

Holy Trinity Values Ambassador

Our Pupil Values Ambassador this week is
Esther

You always are so helpful to everyone and are so
polite to all adults. Well done.

Holy Trinity Staff Values Ambassador

Our Staff Values Ambassador this week is
Mr Phil Ratcliffe (IT Personnel)

You are always so helpful in solving all our IT
problems with a positive attitude. Thank you

Excellence in how we worship, learn and work together!

FAITH FOUNDATION

The year 2024 is no longer new as we are about entering the second month, albeit happy new year to you all and welcome to the first edition of the Faith Foundation page of our Newsdesk

This week we shall be looking at 5 of the Fruits of the Spirit.

Galatians 5: 2-25 “But the fruit of the Spirit is **Love**, **Joy**, **Peace**, **Forbearance**, **Kindness**, goodness, faithfulness, ²³ gentleness and self-control. Against such things there is no law. ²⁴ Those who belong to Christ Jesus have crucified the flesh with its passions and desires. ²⁵ Since we live by the Spirit, let us keep in step with the Spirit”

JOY

The Bible tells us that the Joy of the Lord is our Strength. When we find Joy in or walk with Christ, our strength is renewed like that of an eagle, and not this joy will be evident to those around us

LOVE

The love God has for us was what made Him send His only son to die for us. God wants us to love one another, yes not in the same sense of giving up our son or daughter to die for others, but showing love in various ways to those we come across daily.

PEACE

The Bible reminds us of the peace of God that surpasses all understanding and will keep our hearts and minds in the knowledge of Christ. When we have peace in Christ not as the word gives but as Christ gives, irrespective of what we go through, we can be sure God has our back

FOREBEARANCE

None of us are perfect in life, and we are prone to making mistakes, getting on the wrong sides of ourselves, making rash decisions without thinking it through on how it will affect our communities and those around us. In spite of this, God is telling us that we need to bear with one another even in our imperfect state. When we bear with one another not only are we showing love, but we are demonstrating that we are indeed true disciples of Christ

KINDNESS

When we show kindness to ourselves we not only lighten the burdens we carry, but we show we care. Kindness can be as little listening to someone when they need to talk, and offering them encouragement

As we all go through this weekend, let us ponder on these things and put them into action.

ONLINE SAFETY NEWSFLASH

Social Media Influencers

The things social media influencers do and say online can be quite impactful.

Around a third of children and young people think that, because the influencer is a 'celebrity', what they share is always good. But we know that isn't the case, sometimes it can be advice based on pseudo-science, selling something because they've been paid to and much more.

Internet Matters have a great article where various specialists offer advice and guidance to parents/carers to help them to to their children think critically about social media influencers. You can find the article here:

<https://www.internetmatters.org/hub/question/how-can-i-help-my-child-think-critically-about-the-social-media-influencers-they-follow/>

ONLINE SAFETY NEWSFLASH

Additional online safety, we believe in empowering parents, carers and trusted adults with the information to build a trusted environment about online safety with their children, should they need it. This guide brings to you a range of apps which we believe to be safe and secure. Please visit www.nationalonlinesafety.com for further guidance, tips and tips for adults.

What Parents & Carers Need to Know about YOUTUBE KIDS

YouTube Kids is a child-friendly version of YouTube which offers a colourful and easy-to-navigate environment that's suitable for young children. This app is easily accessible and available for mobile devices, which can be downloaded without needing the YouTube app on the device. Despite YouTube Kids seeming like a very child-friendly platform, it has raised concerns over its advertising and inappropriate content seeping through the curation process.

SETTING UP

1 Download the YouTube Kids app and connect your own YouTube channel.

2 Input your child's name, age and birth month.

3 Select the types of videos you want to include for your child based on their age and your own personal choice.

4 If you decide to approve the content yourself, the app will present you with sample videos for you to accept and reject.

5 Once you've made your choice, you're ready to use the app!

Advice for Parents & Carers

REMOVE ADVERTISEMENTS

Like YouTube, adverts on YouTube Kids are also quite pervasive. If you decide you don't want your child being exposed to adverts, you can subscribe to YouTube Premium which will remove adverts on YouTube Kids. However, it's worth remembering that this doesn't block adverts that content creators decide to make no part of their content, and children are still able to access channels from branded fast food or toy companies.

BE WARY OF UNSUITABLE CONTENT

YouTube Kids has a far lower chance of showing unsuitable material than YouTube, but there are still reports of malicious users deliberately uploading inappropriate content. It's important that your child feels able to talk to you if they were ever exposed to unsuitable content in the future. It's also useful to report inappropriate videos: tap the three dots in the corner of the video and select 'Report'.

DISABLE SEARCH OPTION

YouTube Kids allows you to disable the search feature, which you may find useful in preventing your child from unintentionally finding age-inappropriate content. Doing this will also give you more control over what your child is watching. It's also worth noting that setting an age limit will ensure that your child is only exposed to recommended videos that are deemed suitable for their age group.

RESTRICT VIEWING TIME

The YouTube Kids app provides you with the option of setting up a timer to monitor and limit your child's daily usage, which automatically stops the video when it reaches the set time. It may be best to make use of this feature to prevent screen addiction, which can potentially lead to children playing up later in the evening, affecting their mood and concentration the following day.

MONITOR WATCH HISTORY

YouTube Kids has also made it possible for parents and carers to see what their children are watching on the app by clicking on the 'Recent watched' icon in the top right of the home screen. It may also be worth having a look at what your child has recently watched by clicking on their history tab. The red bar on the video shows how much of the video has been watched.

WATCH TOGETHER

It's important to make YouTube Kids a fun and positive experience for your child. This may require spending time finding channels and content that you and your child will enjoy and benefit from. Try introducing family sessions where you can share the most enjoyable videos that you and your child have recently watched. This can be a great way of giving you and your child many new things to talk about with each other.
