Spring Term | Issue No.48

**magic
breakfast**
fuel for learning

Dear Parents/Carers,

This week we successfully launched the Magic Breakfast initiative at Holy Trinity.

The breakfast initiative provides all children with the opportunity to have something nutritious to eat before learning time begins. It ensures that all children start their school day with the energy and nutrition they need to be able to make the most of their morning lessons.

The breakfast we served this week included toasted bread or bagel. Upon arrival in the classroom, children help themselves and enjoy eating breakfast together as a class that has become positive a 'soft start' to registration time..

Staff or volunteers parents have been simply fantastic working alongside Mrs Richards each morning by arriving before school starts to organise and prepare the food; toasting, buttering and serving in insulated bags ready for delivery to each class by the time children arrive.

The Magic Breakfast charity organisation provides healthy breakfasts for 200,000 children and young throughout parts the UK and Scotland.

The children look forward to breakfast and are ready for learning!

Thank you to our team of volunteers.

Kind regards
Ms Thomas

FAITH FOUNDATION

The year 2024 is no longer new as we are about entering the second month, albeit happy new year to you all and welcome to the first edition of the Faith Foundation page of our Newsdesk

This week we shall be looking at the remaining 4 of the Fruits of the Spirit.

Galatians 5: 2-25 “But the fruit of the Spirit is Love, Joy, Peace, Forbearance, Kindness, Goodness, Faithfulness, ²³ Gentleness and Self-Control. Against such things there is no law. ²⁴ Those who belong to Christ Jesus have crucified the flesh with its passions and desires. ²⁵ Since we live by the Spirit, let us keep in step with the Spirit”

GOODNESS

The Bible talks about doing good, to those around us, either through our being kind, giving towards the needs of others, being good members of our community. Another assurance the Bible gives us for being good is not only that people will reciprocate, but our Heavenly father will delight in us

FAITHFULNESS

God remains faithful towards us, even when we as His children remain unfaithful at times. Faithfulness comes as a result of our love for one another. Being faithful has its reward of people being able to trust us

GENTLENESS

The life of Jesus shows what it means to be gentle. When we exhibit a gentle spirit, trouble, strife and arguments will be far from us, and we will experience the peace of Christ which passeth all understanding.

SELF-CONTROL

When we put on self-control, we show that we are indeed true followers of Christ and that we are able to overcome and deal with obstacles. Lack of self-control leads to anger, which when is full blown leads other things that can cause pain

As we have embraced a new month, let us endeavour to reflect on these 9 fruits of the spirit. Also to make every effort to live them out.

I pray that God will grant us all the grace to do.

Have a restful and blessed weekend

On Wednesday, the Thames Explorer Trust delivered workshops to years 3 and 4.

The children role played with the River of Life floor game creating a natural river habitat and gaining an understanding of food chains and adaptations.

They also looked at how the river environment has changed over time and how pollution and other human impacts can pose a danger to living things.

Assessing Smartphone Readiness

Is my child old enough to have a phone?" It's a common, understandable question that I get from many parents, but it's also one that is very difficult to answer as there are so many factors involved.

For younger children it's often peer pressure, with older children social isolation is very common. Often, advice has to be given particular to that child/family, rather than a one-size-fits-all solution.

The Institute for Digital Media and Child Development have put together some tip sheets for parents which you may find useful. There are three sections:

- Assessing readiness.
- Preparing for healthy use.
- What now?

You can view all the tip sheets here: <https://www.childrenandscreens.org/learn-explore/research/introducing-a-smartphone-assessing-readiness/>

ONLINE SAFETY NEWSFLASH

Additional online safety, we believe in empowering parents, carers and trusted adults with the information to build a trusted environment about online safety with their children, should they need it. This guide brings to you a range of apps which we believe to be safe and secure. Please visit www.nationalonlinesafety.com for further guidance, tips and tips for adults.

What Parents & Carers Need to Know about YOUTUBE KIDS

YouTube Kids is a child-friendly version of YouTube which offers a colourful and easy-to-navigate environment that's suitable for young children. This app is easily accessible and available for mobile devices, which can be downloaded without needing the YouTube app on the device. Despite YouTube Kids seeming like a very child-friendly platform, it has raised concerns over its advertising and inappropriate content seeping through the curation process.

SETTING UP

1 Download the YouTube Kids app and connect your own YouTube channel.

2 Input your child's name, age and birth month.

3 Select the types of videos you want to include for your child based on their age and your own personal choice.

4 If you decide to approve the content yourself, the app will present you with sample videos for you to accept and reject.

5 Once you've made your choice, you're ready to use the app!

Advice for Parents & Carers

REMOVE ADVERTISEMENTS

Like YouTube, adverts on YouTube Kids are also quite pervasive. If you decide you don't want your child being exposed to adverts, you can subscribe to YouTube Premium which will remove adverts on YouTube Kids. However, it's worth remembering that this doesn't block adverts that content creators decide to make no part of their content, and children are still able to access channels from branded fast food or toy companies.

BE WARY OF UNSUITABLE CONTENT

YouTube Kids has a far lower chance of showing unsuitable material than YouTube, but there are still reports of malicious users deliberately uploading inappropriate content. It's important that your child feels able to talk to you if they were ever exposed to unsuitable content in the future. It's also useful to report inappropriate videos: tap the three dots in the corner of the video and select 'Report'.

DISABLE SEARCH OPTION

YouTube Kids allows you to disable the search feature, which you may find useful in preventing your child from unintentionally finding age-inappropriate content. Doing this will also give you more control over what your child is watching. It's also worth noting that setting an age limit will ensure that your child is only exposed to recommended videos that are deemed suitable for their age group.

RESTRICT VIEWING TIME

The YouTube Kids app provides you with the option of setting up a timer to monitor and limit your child's daily usage, which automatically stops the video when it reaches the set time. It may be best to make use of this feature to prevent screen addiction, which can potentially lead to children staying up too late, affecting their mood and concentration the following day.

MONITOR WATCH HISTORY

YouTube Kids has also made it possible for parents and carers to see what their children are watching on the app by clicking on the 'Recent watched' icon in the top right of the home screen. It may also be worth having a look at what your child has recently watched by clicking on their history tab. The red bar on the video shows how much of the video has been watched.

WATCH TOGETHER

It's important to make YouTube Kids a fun and positive experience for your child. This may require spending time finding channels and content that you and your child will enjoy and benefit from. Try introducing family sessions where you can share the most enjoyable videos that you and your child have recently watched. This can be a great way of giving you and your child many new things to talk about with each other.

Come and create giant bunting chains with your community!

- ♥ Hands on Hearts creates giant bunting chains to celebrate our community spirit and strength
 - ♥ The bunting is made up of hand and heart shapes - and people really love them!
 - ♥ We work together to make individual flags and then gather them together to hang in our community spaces.
 - ♥ Anyone of any age can take part - you don't have to think of yourself as creative and you don't have to be able to sew
 - ♥ We hope to create enough bunting to hold an exhibition later this year...
 - ♥ But the only way we can do that is if we get together to make it happen!
- ♥ No need to sign up - just turn up and it's fine to drop in
 - ♥ Free tea, coffee - and cake!
 - ♥ Children must be accompanied by an adult
 - ♥ Hope to see you there!
