Spring Term 1 Issue No.56

Dear Parents/Carers

Welcome back for the new term! I hope you all enjoyed the Easter period with your families and created some special memories. It was lovely to see **our children's bright, happy faces and being full of excitement** as they returned to school this week.

As we start a new term let us remember bible verse for this academic year.
Philippians 4:13 'I can do all things through Christ who strengthens me.'

Reflection

We give thanks to God for the assurance that we have through Christ. What an astounding faith affirmation! As we depend upon Christ, whether our circumstances are easy or hard, Christ strengthens us to persist and to persevere, to rest and rejoice, to be constant and content.

SPELLING BEE

Windmill Cluster Spelling Bee

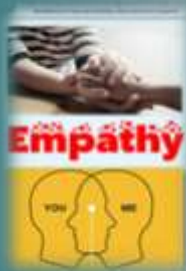

This week a group of our year 3, 4,5 and 6 pupils took part in the yearly spelling bee competition against four Lambeth Cluster primary school. I am pleased to announce that Holy Trinity placed first in the year3/4 group and second place in year 5/6. They all performed superbly and should feel really proud of their achievements. Well done to all eight pupils, we are exceptionally proud of you.

Collective Worship

This term we will continue to explore the bible theme: 'The Fruit of the Spirit' and our school values: Curiosity, hope, empathy, happiness, resilience and creativity.

Thank you to Mrs Sutcliffe who led collective worship on Tuesday, she explored ways in which to use our creativity and imagination to further develop our gifts and talents.

Have a wonderful weekend

Ms Thomas

FAITH FOUNDATION

Dear Lord,

Thank you for all that You have given us to explore and be curious about in our work, in our learning and throughout each day.

Inspire us as we seek to learn more of the world around us and Father let our curiosity see You in ways we have never seen You before.

Give us an unshakable curiosity about you so that we seek you more and more each day and may your word be a lamp unto our path and a light unto our feet.

Heavenly Father, we ask you Lord to keep us curious about the gift of life, exploring and discovering, growing into understanding, more of the mystery of life as we walk with you

In Jesus name we pray.

Excellence in how we worship, learn and work together!

Learning In Focus

In recognition of neurodiversity and World Autism Awareness Day, Ms Moore- Hall presented information as part of collective worship to raise awareness and sensitivity to diverse and unique ways of thinking and expression.

It is important for us to be accepting and understand that everyone's brain is different and together we can form an inclusive world!

Recognising and Celebrating Strengths and Talents

Excellence in how we worship, learn and work together!

The Alpaca Post VCF Education News

VOLUME 10, APRIL 2024

News from The Farm

Easter has been a really busy time for us, here at The Farm and we have lots more in store for May too.

Over the Easter half-term we saw over 100 children collecting Easter eggs, and it was fantastic.

We welcomed families to Conservation Club, where we discovered the importance of wildlife through crafts, games and pond dipping!

Also this holiday we hosted our free Film Club, where many children enjoyed their popcorn whilst getting cosy on our bean bags.

Young Farmers Summer Term 1 kicked off to a great start this April as well, with 10 young farmers keen to learn how we care for our animals and how we maintain the welfare of all our furry friends.

COMMUNITY NEWS

Our Year 5 pupils are involved in Art Bytes, a national inter-school art competition. We are proud to announce that shortlisted artworks have been decided by their judging panel of esteemed industry professionals. Please visit our school's portfolio page (<https://artbytes.co.uk/browse-schools/>) to find out who our shortlisted artists are!

To determine our school's winning artwork that will be exhibited in the Art Bytes Virtual Gallery, we need to vote! The shortlisted artwork that receives the most votes wins, but also the school in England that received the highest number of collective votes wins the Community Engagement Award with fantastic art prizes from Dryad Education!

Underneath every shortlisted artwork on our school's page you will see [VOTE NOW](#) underneath the artwork. When clicking on "vote now", you will need to enter your email address, wait for a confirmation email and click "confirm" to verify your vote. This ensures only one vote per email is registered and any subsequent votes with the same email will override the previous vote.

Well done to all the children who took part!
